# Canyon
Two Door Cabinet

Thank you for your purchase. Please follow the instructions for correct assembly. While we took great effort to ensure these assembly instructions were correct at the time of printing, sometimes updates are required post production. For the most up to date versions please refer to the product page on our website. mocka.com.au/mocka.co.nz

WALL STRAP

WARNING: Any furniture that is not anchored to a wall has the potential to tip over in certain circumstances, i.e. if a child attempts to climb up on the furniture or in the event of an earthquake. Accordingly, we recommend that all furniture is anchored to a wall. We supply a free safety wall anchor with all furniture sold and we recommend these are used to prevent your product tipping. The fixing device provided should fit most wall types, but please note that different wall materials may require different fixing devices from those supplied.
Phillips & Flathead screwdrivers and hammer required

**For quicker assembly, we recommend the use of a power drill on a low-speed setting.**
