**Assembly Instructions** 

Insert the drawer into the unit at an upwards 45° angle. See the diagram above for the correct positioning of the slide rails. If the door is not catching or sitting flush, twist the end of the cover (N) until it catches on the stopper (O).

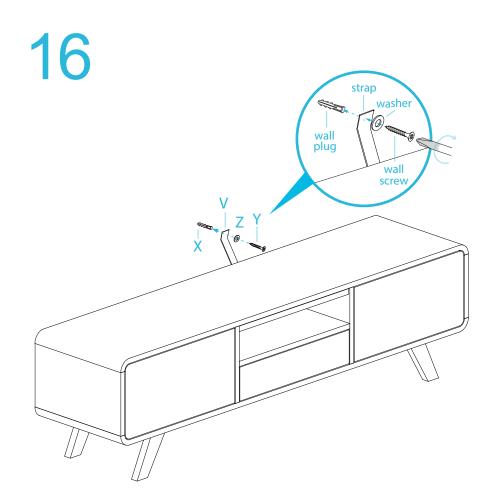

Ensure the drawer slides easily along the rails.

**Assembly Instructions** 

15 Wall Mount

Attach 1x safety strap (V) to the top of the back side of the unit as shown using 1x washer (Z) and 1x screw (W). Tighten with a screwdriver.

Once assembled lift furniture into place, do not drag. Use a drill to create a small hole lining up with the top of the safety strap (V). Fasten to wall using 1x wall plug (X), 1x washer (Z) and 1x wall screw (Y). Ensure unit is balanced and steady before use. You're done, enjoy!
